

Ambulance & EMS Vehicle Equipment Financing & Leasing

We Can Help You Sell

Your medical vehicle solutions combined with Ascentium's financing options can help provide you with a competitive advantage. Customers may finance new or used vehicles, including: ambulances, wheelchair vans and mobility vans up to 10 years old plus add-ons, shipping, tax and more! Differentiate your offer with Ascentium:

Ascentium's Unique Finance Platform

- **100% Pre-funding Potential:** positively impact your bottom line and get paid faster (fees paid with funding wire)
- **One-Page Document:** customers sign a simple one-page document for small ticket transactions
- **E-Docs or Fax Documents:** streamlines the funding process
- **Flexible Financing:** custom payments can help make your products more convenient to acquire and your customer's buying decision easier
- **MyAscentium.com:** portal to manage your portfolio with in-depth reports, transaction status, marketing tools and more
- **Sales Tools:** quick quote links, smart phone apps, and more

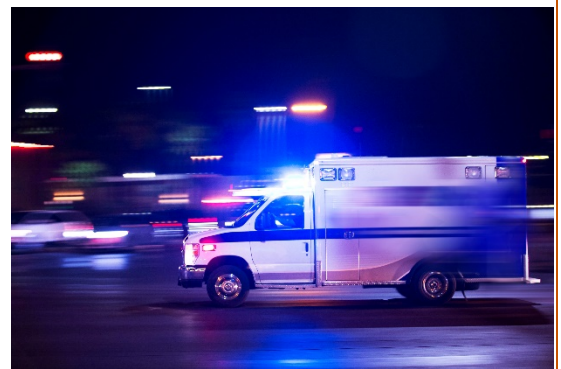

A Route to Increased Sales

Ascentium's financing can help accelerate sales and enhance customer relationships. Let us help you grow your business.

Maximize Your Offer

Customers experience a consultative approach with access to:

- Financing up to \$2.5 million¹
- Application-only up to \$750,000 (total exposure; no dealer agreement required)
- New & used equipment
- Most credit decisions within minutes
- Step and deferred programs
- 100% financing
- Financing, leasing & small business loans
- 100% software financing & more!

We look forward to our shared successes. Call today:
